WORKSHOP

Students from any faculty after their first study year as well as any other non-student participants interested in European integration, democracy and civic society. Working language will be English.

TRAINERS

The „Train the Trainer-Seminar“ will take place on an extra third day after the regular workshop – participants will be able to do the workshop on their own (addresses young researchers/trainers)!

COSTS

The costs for the Seminar are funded by German Ministry of Foreign Affairs. Every Participant receives the Certification on a full attendance basis.
